## AGENDA TOPICS

### Review Previous Meeting Minutes

**TIME ALLOCATED:** 5 Min                      **PRESENTED BY:** Matt Korpi

**Discussion:**  
Meeting Minutes were accepted and approved

### Review of Events that SCOMA members have attended

**TIME ALLOCATED:** 10 Min                      **PRESENTED BY:** Joylynn Clement, Sydney Parvin

**Discussion:**  
Sydney attended the Automation Alley conference in Troy, MI, brought by the German / American Chamber of Commerce. Discussed the future of using Virtual Reality, Alternate Reality, 3D Printing, and other technology in the future that can change the way Supply Chains and Operations are handled.

### Upcoming and Current Events

**TIME ALLOCATED:** 15 Min                      **PRESENTED BY:** Joylynn Clement

**Discussion:** Discussed the possibility of either changing or adding another meeting time to facilitate additional members schedule. Brought up how to allow online students involvement  
Possibly creating a Pamphlet with what was covered in the prior meeting to distribute to other students

**Conclusion:** Additional meeting time during our off week was agreed upon. Time and dates to be announced.

## ACTIONS

**Speak with other interested students to survey times**

ACTION TO BE TAKEN BY	DATE TO BE ACTIONED BY
Executive Board	3/21/18

## Ford Rouge River Factory Tour

TIME ALLOCATED: 10 min

PRESENTED BY: Joylynn

Discussion: Signup sheet is now full and we have moved to taking names for a waitlist in case of cancelations.

## Group Discussion.

TIME ALLOCATED: 30 min

PRESENTED BY: Joylynn

Discussion: Possible extra credit points with instructor approval for student attendance at meeting.

Table at the UCEN to promote SCOMA to a larger student population base.

Creating a LinkedIn Page for SCOMA.

Possible Supply Chain game using the entire campus as product sources, final customer destination, and production centers to show how SCOMA can help all students, not just Supply Chain and Operations majors.

Possibly create committees to schedule and plan events to allow more leadership opportunities to students.

Possible SCM Tutors to help supply chain and operations majors in understanding SCM classes.

Training and/or making more available SPSS to all SCM/OM majors

## What do new members want out of SCOMA

TIME ALLOCATED: 10 min

PRESENTED BY: Joylynn

Discussion: Need to show possible members....

Understanding of the growing industry

Possible after graduation employment or internship. How will SCOMA help their future.

Understanding that Supply Chain is personal, that it effects everything

How does Supply Chain relate to us?
