Agenda Topics

Org Account Update and Future Funding Options

Time Allocated: 15 minutes

Presented By: Manika Dhiman

Discussion: The amount due of \$64.21 last week was paid off in cash on Friday. \$70 was deposited in the student org account. Miscommunication from SIL resulted in the overall confusion. The account now has \$5.79. SIL directed to go to Student Government for funding, or find other means through fund raising to raise additional funds.

Conclusion: VSO's have to seek funding from Student Government after filling out a form. Allotted amount can be up to \$2,300.

Future Events

Time Allocated: 25 minutes

Presented By: Alex Jolley

Discussion:

- GFS Tour: Future DC tour and additional networking opportunities
- Ford Rouge
- Mgement Fair: Thursday, January 9th from 2pm-5pm in the Rec Center.
- Blueprint Conference
- Possible connections: Dow, Meritor, and Denso

GFS has committed to inviting SCOMA to visit their distribution center next semester. Discusses the possibility of returning the Ford Rouge tour as well if funds allow it. There are two club related events that will happen during the Winter Semester, the Mgement Fair and the Blueprint Conference. Registration is required for the fair, and no info has been provided on the Blueprints yet.

Conclusion: Need to register for Mgement Fair, provide contact info for GFS, and follow up on Denso.

Available Officer Positions

Time Allocated: 15 Minutes

Presented By: Alex Jolley

Discussion: President and Vice President positions will be available next semester. Both secretary and treasurer will be offered the available positions first, then any available officer positions will be offered to the rest of SCOMA members.

Conclusion: Manika will communicate her response through email. Offer will also be extended to Jacob as well before sending out a club relay about open officer positions.
